WELCOME to Mar-Linda-K Holsteins first Herd Reduction Sale. Thirty years of breeding has generated an excess of registered Holsteins to our herd. We are offering Holsteins from deep homebred registered breeding that goes back to Pabst Farms cows which Philip Klug (Klug-View) purchased to start the herd back in 1950. With the sale of Klug-View Rocket Cutie EX 90 in 1980 to Ernlo Farms in Waukon drove my (Linda) interest in breeding and developing more registered Holsteins as a career.

Mark & Linda (Klug) Wright took over management of the herd in 1989 with continued breeding for sound type and production. With our daughters Kayla (K-K-Rose) and Nicole (Klug-View) we developed Holsteins from within the homebred herd purchasing only about a dozen from other breeders to generate what we have today.

We have continued to breed for sound type cattle with good udders and manage for milk production with good quality feed, care, and housing. From this we have achieved 10 PBR awards, Quality Milk Awards, Watertown Outstanding Young Farmer Runner-Ups, developed Gold Medal Dams, earned Honorable mention Jr. All American honors, WI Futurity winnings, and bred 5 Generations of Homebred Excellent cows.

In our sale today, we are featuring some cows and heifers from our Vicki, Raelynn, Camelot, Fara and Shamau families as well as some from outside our herd which include Redrose, Elegance, Rotate Amanda, Apple and Zandra.

Thank you to our potential buyers for your interest in genetics from Mar-Linda-K Holsteins. We hope you have added some opportunities to your herd from the cow families that have given us many years of memories and success.
